REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The prior art of records do not show an image extraction apparatus comprising a subsequent order of limitations of image sensing means, image sensing condition control means, image sensing condition recording/reproduction means, image data conversion means, image data conversion mean, image data comparison mean, and image cutting mean. The limitations of the claim are intrinsically depending on the preceded limitations, which created a lack of motivation to combine prior art in teaching the claiming limitation.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
